Prayer for Emilia-Romagna

We join in the prayer composed by the Archbishop of Ravenna-Cervia, Mgr. Lorenzo Ghizzoni, for our brothers and sisters in Emilia-Romagna who have been hard hit by the floods.

"Brothers and sisters, in view of the dramatic emergency that has hit Romagna in particular in recent days, let us pray to the Lord that the situation will improve as soon as possible. We pray for the victims, for all those who have been affected and for all those who are living and suffering hours of anguish because they have been displaced or cut off by the floods. We pray that all communities will be available to welcome and help those in need, and that they will seek the common good with a sense of responsibility, respecting the recommendations of the authorities. In the face of this new calamity, the Lord grant us to be united in our urgent need, to care for the gift of Creation, our common home, and to commit ourselves to guaranteeing hospitality and solidarity to those in need".
