

Let us continue to be united in prayer for peace in the world with this prayer that Pope Francis recited on the day of the ecumenical vigil, October 27, 2023!

Now, Mother, once more take the initiative for us, in these times rent by conflicts and laid waste by the fire of arms.

Turn your eyes of mercy towards our human family, which has strayed from the path of peace, preferred Cain to Abel and lost the ability to see each other as brothers and sisters dwelling in a common home.

Intercede for our world, in such turmoil and great danger. Teach us to cherish and care for life – each and every human life! – and to repudiate the folly of war, which sows death and eliminates the future.
