PRAYING DIFFERENTLY

WORLD DAY OF THE POOR

**1st SEPTEMBER - 4th
OCTOBER**

Time for Creation

***A month of unity and prayer
for the planet***

1. On this World Day of the Poor, everyone feels concerned that parishes can open their doors to all.
2. May we increase respect for all people, whoever they are, as well as respect for our mother Earth.
3. May there be young people who hear the Lord's call to join the consecrated and all those who work with the poor.
4. So that prisoners, the homeless, the excluded... can find or rediscover the path of faith. May they be accompanied on this journey
